

## Welcome to the ease and convenience of i-bank

We understand the need to have all the information at your fingertips - efficiently and simply. The i-bank product suite is web-based, allowing you to access your organisation's accounts anywhere, anytime, without the need to install or manage additional software on PCs.

The i-bank product suite is available for Solicitors, Accountants, Real Estate Agents and Non-profit organisations providing the following features:

- Search and view your transaction history
- Summary of your account balances with the ability to view additional details of accounts
- Transfer money between your accounts
- Manage and view your investment details with the ability to transact on nominated Call investments
- Create and manage your own payees
- Manage your bill payments
- A secure messaging service for all your account requests
- Access to a dedicated  **bank assist** service and support desk.
